**Re: McKinsey Tribal Opioid Settlement**

The McKinsey Tribal Opioid Settlement is outside and not part of the Tribal Abatement Fund Trust administered by the Native American Directors. A link to the McKinsey Tribal Opioid Settlement appears on this website as a courtesy to the administrators of that settlement. Please note that all approvals, instructions, guidance, and communications provided by the Directors, on [www.tribalopioidsettlements.com](http://www.tribalopioidsettlements.com), or through their representatives do not apply to the McKinsey Tribal Opioid Settlement.
