

## Term Sheet

The term sheet governs the agreement in principle between the MDL Tribal Leadership Committee and the Settling Distributors (defined to include AmerisourceBergen Corporation, Cardinal Health, Inc., McKesson Corporation, and all defendants related to any of the foregoing).

1. **Eligible Tribal Entities**—Exhibits A-1 and A-2 together contain all tribal entities eligible to participate in the settlement: Exhibit A-1: Each entity listed on Exhibit A-1 is either (1) a federally recognized tribe that the U.S. Secretary of the Interior acknowledges as an Indian Tribe, as provided in the Federally Recognized Tribe List Act of 1994, 25 U.S.C. § 5130, and that has filed an opioid case in MDL 2804, or (2) a “tribal organization,” as defined in 25 U.S.C. § 5304(I), or an “inter-tribal consortium,” as defined in 25 U.S.C. § 5381(a)(5), that provides health care pursuant to contracts or compacts with the Indian Health Service, and that has filed an opioid case in MDL 2804. Exhibit A-1 includes the filing docket number and counsel of record for the listed entity. Each entity listed on Exhibit A-1 is entitled to participate in the settlement. Exhibit A-2: Each entity listed on Exhibit A-2 is a federally recognized tribe that the U.S. Secretary of the Interior acknowledges as an Indian Tribe, as provided in the Federally Recognized Tribe List Act of 1994, 25 U.S.C. § 5130, and that has not filed an opioid case in MDL 2804. Exhibit A-2 also includes Alaska Native “tribal organizations,” as defined in 25 U.S.C. § 5304(I) and “inter-tribal consortia,” as defined in 25 U.S.C. § 5381(a)(5), that provide health care pursuant to contracts or compacts with the Indian Health Service, and that have not filed an opioid case in MDL 2804. Each entity listed on Exhibit A-2 is entitled to participate in the settlement.
2. **Defendants To Be Released Upon Meeting Threshold Requirements.**
  - a. **Released Entities**—The following defendants are to be released from all Released Claims and all claims against them are to be dismissed with prejudice upon the Effective Date: the Settling Distributors and (1) all past and present direct or indirect parents, subsidiaries, divisions, predecessors, successors, and assigns of each Settling Distributor; (2) the past and present direct or indirect subsidiaries, divisions, and joint ventures, of any of the foregoing; (3) all of the Settling Distributors’ respective insurers (solely in their role as insurers with respect to the Released Claims); (4) all of the Settling Distributors’, or of any entity described in subsection (1), past and present joint ventures; and (5) the respective past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, agents, and employees of any of the foregoing (for actions that occurred during and related to their work for, or employment with, any Settling Distributor). Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity, except that entities described in subsection (4) shall include any Settling Distributor, or any Settling Distributor’s subsidiary, in its capacity as a participating member in the entity described in subsection (4). A list of the Settling Distributors’ present subsidiaries and affiliates can be found in Exhibit B. The Settling Distributors’ predecessor

entities include but are not limited to those entities listed on Exhibit B. For the avoidance of doubt, any entity acquired, or joint venture entered into, by any Settling Distributor after the Effective Date is not a Released Entity.

- b. **Conforming Exhibits of Released Entities**—Exhibit B is the same as Exhibit J appended to the Distributors’ Global Settlement Agreement posted at [nationalopioidsettlement.com](http://nationalopioidsettlement.com) (the full settlement agreement, the “Distributors’ Global Settlement Agreement”).

3. **Aggregate Financial Terms and Funding Dates—Settling Distributors.**

- a. **Financial Terms**—The Settling Distributors agree to pay \$439,964,500 over six (6) years under the terms and conditions of this term sheet, subject to the reductions described in Section 6. Within 30 days of the signing of the term sheet, the distributors shall fund as a non-refundable advance on the aggregate settlement \$1 million to help facilitate the terms of this agreement, managed by the Special Master, and to be used for the purposes set forth in paragraphs 5 and 8. The first payment of \$62,852,071.43 will be paid into escrow no later than thirty (30) days after the Effective Date. Funds allocated to the Settling Tribal Entities shall be released to the Tribal Settlement Fund immediately upon receipt by the escrow fund. The remaining funds, representing the allocations of any Tribal Entities that are not Settling Tribal Entities as of the Effective Date, will remain in escrow. The payment for the second and each subsequent year (each such payment in the amount of \$62,852,071.43) will be paid into escrow on July 15 of the applicable calendar year, with 2022 being Payment Year 2, 2023 Payment Year 3, and so on, and with the last payment due on July 15, 2027, except that if the Effective Date is after June 15, 2022, the payment date for Payment Year 2 will be 30 days after the Effective Date. For each payment made following the Effective Date, the allocations of the Settling Tribal Entities will be released to the Tribal Settlement Fund immediately upon receipt. All other funds will remain in escrow.
- b. **Allocation Among Settling Distributors**—Payments due from the Settling Distributors will be allocated among the Settling Distributors as follows: McKesson Corporation: 38.1%; AmerisourceBergen Corporation: 31.0%; Cardinal Health, Inc.: 30.9%. A Settling Distributors’ sole responsibility for payments under this term sheet shall be to make its share of each payment. The obligations of the Settling Distributors are several and not joint.
- c. **Tax Consequences.**
  - i. **Nature of Payment**—Each Settling Distributor and each Settling Tribal Entity acknowledges and agrees that notwithstanding anything to the contrary in the Tribal Settlement Agreement, including, but not limited to, the scope of the Released Claims:

1. it has entered into the Tribal Settlement Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. In the actions the Tribal Settlement Agreement resolves, the Settling Tribal Entities sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the “Alleged Harms” (as defined in the Distributors’ Global Settlement Agreement) allegedly suffered by the Settling Tribal Entities;
3. (a) the aggregate amount of payments by the Settling Distributors under the Tribal Settlement Agreement, less any amounts used to pay attorneys’ fees and costs (the “the Compensatory Restitution Amount”) is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling Tribal Entities; and (b) the portion of the Compensatory Restitution Amount received by each Settling Tribal Entity is no greater than the amount of the Alleged Harms allegedly suffered by such Settling Tribal Entity;
4. The payment of the Compensatory Restitution Amount by the Settling Distributors constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by the Settling Distributors;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling Tribal Entities to the same position or condition that they would be in had the Settling Tribal Entities not suffered the Alleged Harms; and
6. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling Tribal Entity, or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in this subsection 3.c.i, and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys’ fees.

ii. **Tax Reporting and Cooperation.**

1. Upon request by any Settling Distributor, the Settling Tribal Entities agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Settling Distributors to establish the statements set forth in subsection 3.c.i to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
2. Without limiting the generality of subsection 3.c.ii.1, each Settling Tribal Entity shall cooperate in good faith with the Settling Distributors with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to the Tribal Settlement Agreement.
3. The [Designated Tribe], on behalf of all Settling Tribal Entities, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”). The [Designated Tribe] shall direct and ensure that the Appropriate Official timely (i) files (A) at the time the Tribal Settlement Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as exhibits to the Tribal Settlement Agreement with respect to each of the Settling Distributors and (B) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Settling Distributors, and (ii) provides to each of the Settling Distributors a copy of (A) the IRS Form 1098-F filed with respect to such Settling Distributor and (B) any legally required written statement pursuant to any applicable law and any other document referred to in clause (i)(B) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with subsection 3.c.i.
4. The Settling Tribal Entities agree that any return, amended return, or written statement filed or provided pursuant to subsection 3.c.ii.3, and any similar document, shall be prepared and filed in a manner consistent with reporting each Settling Distributor’s portion of the aggregate amount of payments by the Settling Distributors under the Tribal Settlement Agreement as the “Total amount to be paid” pursuant to the Tribal Settlement Agreement in Box 1 of IRS Form 1098-F, each Settling Distributor’s portion of the amount equal to the aggregate amount of payments by the

Settling Distributors under the Tribal Settlement Agreement less the Compensatory Restitution Amount as the “Amount to be paid for violation or potential violation” in Box 2 of IRS Form 1098-F and each Settling Distributor’s portion of the Compensatory Restitution Amount as “Restitution/remediation amount” in Box 3 of IRS Form 1098-F, as reflected in the exhibits attached to the Tribal Settlement Agreement. If the [Designated Tribe] or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this subsection 3.c.ii.4 other than an IRS Form 1098-F in the form attached as exhibits to the Tribal Settlement Agreement, the [Designated Tribe] shall direct and ensure that the Appropriate Official provides to each Settling Distributor a draft of such return, amended return, or written statement in respect of such Settling Distributor no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Settling Distributor on the return, amended return, or written statement in respect of such Settling Distributor.

5. For the avoidance of doubt, none of the Settling Distributors or the Settling Tribal Entities make any warranty or representation to any Settling Tribal Entity or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).
- d. **Payment Allocation**—The payments will be split with 85% going to an abatement fund and 15% going to an attorney fee escrow account. In no event may less than 85% of the Settling Distributors’ payments be spent on Opioid Remediation as defined in the Distributors’ Global Settlement Agreement or Schedule C of Exhibit C of this Term Sheet (“Tribal Abatement Strategies”).
4. **Presentation of Aggregated Settlement Offer, Informed Consent and Compliance with Ethical Rules**—The MDL Tribal Leadership Committee (“TLC”) has been appointed by the MDL Court and negotiated the terms of this aggregate settlement with the Settling Distributors through a mediation process. The TLC members believe the gross settlement amount and term of years to be reasonable and recommend moving forward to present this term sheet and informed consent documentation to all tribal entities identified on Exhibit A and their counsel. The Settling Distributors and the TLC recognize the ultimate decision to settle rests with each tribal entity. The TLC will work with all tribal counsel to present the proposed aggregate settlement and allocation procedures to all tribal entities and will use best efforts to secure 100% participation.
5. **Abatement Fund—Approved Uses and Allocation Procedures.**

- a. **Appointment of Qualified Settlement Fund Administrators**—The TLC will request the Court to appoint Kevin Washburn, Mary Smith, and Kathy Hannan as Qualified Settlement Fund (QSF) administrators to administer the abatement funds. Approved uses will be set forth in the Tribal Settlement Agreement but will be consistent with the approved uses attached hereto as Exhibit C and section 3.d above. The QSF administrators will have duties and responsibilities comparable to those they have in Purdue, including oversight of the administration and distribution of abatement funds and collection of the abatement fund use certifications from each tribe required under this agreement. Any costs and fees associated with or arising out of the duties of the QSF administrators shall be paid out of the advance in Paragraph 3 a., and the interest accrued on the Settlement Fund and thereafter from the Settlement Fund should such interest prove insufficient.
  - b. **Allocation Procedures**—Layn Phillips co-mediated proceedings in the Purdue bankruptcy that determined the share of funds paid to tribes and reviewed and approved the inter-tribal allocation in that case. Layn Phillips also mediated the settlement between the tribes and the Settling Distributors. David Cohen, Special Master to Judge Polster in the MDL, is appointed by the Court to address tribal issues (Doc 3646). Upon the signing of this term sheet, the TLC will request the Court to appoint David Cohen and Layn Phillips to set the procedures by which the allocation will be completed for this settlement and to jointly determine the final inter-tribal allocation. Any costs and fees associated with or arising out of the duties of Layn Phillips and David Cohen under this agreement shall be paid out of the advance in Paragraph 3 a., and the interest accrued on the Settlement Fund and thereafter from the Settlement Fund should such interest prove insufficient.
  - c. **Recognition of Tribal Rights**—Each tribal entity will have the sole, ultimate, and final say over which approved abatement uses are best for the tribal entity as that tribal entity continues to address the opioid crisis. Each tribal entity shall have the right to meaningfully participate in the final allocation process and a right to be heard prior to entry of the final allocation order specific to this opioid crisis.
  - d. **Settling Distributors' Non-Involvement in Allocation**—The Settling Distributors acknowledge and expressly agree that they have no role whatsoever in the allocation.
6. **Reduction in Aggregate Financial Payments for Non-Settling Tribes.**
- a. **Non-Settling Litigating Tribes**—Proportional decrease by final allocated amount for non-settling litigating tribes.
  - b. **Non-Settling Non-Litigating Tribes**—The Settling Distributors shall pay the allocated shares of Non-Settling Non-Litigating Tribes into escrow for four (4) years after the Effective Date. Non-Settling Non-Litigating Tribes may opt in to

the Tribal Settlement Agreement at any time during this four (4) year period to claim their paid allocation shares from escrow and future payments. If, on the date four (4) years from the Effective Date, at least 67% of Non-Litigating Tribes, as determined by population, have become Settling Tribes, then the following shall occur: (i) all unclaimed shares previously paid into escrow for the Non-Settling Non-Litigating Tribes shall remain in escrow; (ii) the Settling Distributors shall continue to pay the remaining allocation shares of any Non-Settling Non-Litigating Tribes into escrow; and (iii) on the final Payment Date, all unclaimed shares shall be paid to the settling tribal entities up to a maximum of \$20,000,000. If, on the date four (4) years after the Effective Date, less than 67% of Non-Litigating Tribes, as determined by population, have become Settling Tribes, then the following shall occur: (i) all unclaimed shares previously paid into escrow for the Non-Settling Non-Litigating Tribes shall immediately revert to the Settling Distributors; and (ii) the Settling Distributors shall no longer be required to pay the allocation shares of any Non-Settling Non-Litigating Tribes into escrow. For the avoidance of doubt, if any Non-Litigating Tribe initiates litigation against one or more of the Settling Distributors at any time up until and including the final payment date, that Non-Litigating Tribe's share will revert to the Settling Distributors. The parties agree they will work out a process for a Non-Litigating Tribe that does file suit and whose suit has not resulted in material litigation to dismiss the suit and participate in the settlement.

7. **Notice to Unrepresented Tribal Entities**—The appointed QSF administrators shall provide notice of the settlement to the unrepresented tribal entities. The unrepresented tribal entities will have the same rights as the represented tribal entities within the settlement allocation process.
8. **Participation Requirements, Effective Date**—If 95% of litigating tribal entities, as determined by the allocation percentages set forth in the Tribal Settlement Agreement, and fourteen (14) Non-Litigating Tribes, each with a population of at least 5,000 members, have agreed to become Settling Tribes, the TLC shall give notice to that effect to the Settling Distributors.<sup>1</sup> The Effective Date will be sixty (60) calendar days after the date of such notice, or sixty (60) calendar days after the execution of the Tribal Settlement Agreement, whichever is later. If any condition in the first sentence of this Section 8 is not met and the TLC nonetheless gives notice to the Settling Distributors that it wishes to proceed with the Tribal Settlement, the Settling Distributors shall have thirty (30) calendar days to determine whether, in their sole discretion, enough tribal entities have agreed to become Settling Tribal Entities to proceed and the Effective Date will be the date sixty (60) calendar days after the date on which the Settling Distributors notify the TLC that the agreement will proceed.
9. **Tribal Participation Form and Individual Release**—Attached hereto as Exhibit D is the Tribal Participation Form.

---

<sup>1</sup> The settlement with the Cherokee Nation shall count toward the 95% participation of litigating tribal entities.

- a. **Dismissal Of Claims**—Each Settling Tribal Entity shall provide a dismissal with prejudice of all claims against the released entities along with the signed release. The dismissal shall be filed only upon the Effective Date.
- 10. **Enforcement and Dispute Resolution**—Any disputes shall be heard before Special Master David Cohen as the arbitrator designated by the parties to resolve disputes through binding arbitration.
- 11. **Tribal Settlement Agreement and Miscellaneous Sections including no admission of liability, claim over, etc.**—The Parties shall convert this term sheet into a Tribal Settlement Agreement which shall also include provisions (based on the Distributors’ Global Settlement Agreement), including:
  - a. Definitions as needed;
  - b. Full release provisions, including claim-over and non-party settlement provisions;
  - c. Additional dispute resolution terms;
  - d. No admission of liability;
  - e. Additional terms relating to financial constraint;
  - f. Additional terms relating to prepayment; and
  - g. Other sections listed under “Miscellaneous” in the Distributors’ Global Settlement Agreement.

### **Schedule C** **Tribal Abatement Strategies**

The following is a non-exhaustive, illustrative list of culturally appropriate activities, practices, teachings or ceremonies that may, in the judgment of a Tribe or Tribal Entity, be aimed at or supportive of remediation and abatement of the opioid crisis within a tribal community.

Each of the 574 federally recognized Tribes in the United States has its own cultures, histories and traditions. Each Tribe or Tribal Entity is best suited to determine the most effective abatement strategies for the specific community it serves. The following list provides select examples of tribal abatement strategies and is not intended to limit the remediation and abatement activities for which any Tribe or Tribal Entity may utilize its share of Abatement Funds.

#### **1. Traditional Activities Associated with Cultural Identity and Healing**

Tribal cultural activities can help address historical and intergenerational trauma and feelings of cultural loss that may be underlying root causes and/or contributing factors to addiction. These can include, for example:

- Utilization of traditional healers and spiritual and traditional approaches to healing;
- Sweat lodges, sacred pipe ceremonies, smudging and other ceremonies;
- Talking circles;
- Cultural activities such as basket weaving, pottery making, drum making, canoe building, etc., depending on the Tribe;
- Cultural and linguistic immersion programs.

These traditional activities may be combined with other treatment or included in integrated treatment models, as discussed below.

Example: Drum-Assisted Recovery Therapy for Native Americans (DARTNA) is supported by research. Drums are a sacred instrument in many American Indian and Alaska Native cultures and are often associated with ceremonies and healing. In addition to providing a sense of cultural connection, drumming may have physical and psychological effects that make it a promising focus for treatment.

Example: Some Tribes have utilized seasonal cultural immersion camps in lieu of or in combination with residential treatment for substance use disorder. Participants practice traditional lifeways, including hunting, fishing, living in traditional dwellings and cultural and/or spiritual practices during the course of treatment.

## **2. Culturally Competent Integrated Treatment Models**

Example: The Swinomish Tribe designed and developed a unique treatment program called Didg<sup>w</sup>álič that integrates evidence-based chemical dependency treatment with holistic, culturally competent care to successfully deal with the effects of opioid use disorder (OUD). Didg<sup>w</sup>álič provides a full array of medical and social services, utilizing a model of care that centers on and incorporates the Tribe's culture and values. The Tribal government and individual Tribal members provide cultural leadership and advice on the use of Native language and practices in the program.

Example: The Tulalip Tribe operates the Healing Lodge, a culturally sensitive transitional home facility for tribal members who are seeking to recover from addiction. In addition to a clean and sober living environment, the facility provides transportation to and from Chemical Dependency/ Mental Wellness groups and individual counseling sessions, sober support groups and cultural activities such as sweats, powwow and family nights. The program also connects residents with educational activities such as life skills trainings, budgeting, post generational trauma and Red Road to Wellbriety, a recovery and wellness program similar in some ways to the 12 Steps of AA but designed especially for Native American and following the teachings of the Medicine Wheel.

### **3. Culturally Grounded Community Prevention**

Culturally competent prevention programs, tailored to each tribal community, can play an important role in stopping and reversing the spread of the opioid epidemic.

Example: The Healing of the Canoe is a collaborative project between the Suquamish Tribe, the Port Gamble S’Klallam Tribe and the University of Washington Alcohol and Drug Abuse Institute (ADAI). It has led to the development and dissemination of the Culturally Grounded Life Skills for Youth curriculum, an evidence-based, strengths-based life skills curriculum for Native youth that uses elements of a Tribe’s culture to help prevent substance abuse and connect its youth to their tribal community and culture. It teaches Native youth the skills they need to navigate their life’s journey without being pulled off course by alcohol or drugs, using tribal values, traditions and culture both as a compass to guide them and an anchor to ground them. By reversing the historical trauma of forced assimilation, this approach attacks the root cause of so much substance abuse among tribal youth.

Example: The Association of Village Council Presidents has responded to the opioid crisis through the Healthy Families Program, which promotes and supports whole health through the sharing, teaching, and practice of traditional values through Elluarluteng Illakutellriit - a framework illustrating the Yup’ik life cycle of traditional practices, values and beliefs from Yup’ik Elders. This framework functions alongside western and medical practices to help individuals overcome their addictions permanently.

### **4. Peacekeeping and Wellness Courts**

Many Tribes have had success treating opioid offenders using traditional healing practices and alternative institutions, sometimes called wellness courts or peacekeeping courts.

Example: The Yurok Tribal Court, in coordination with the California State courts in Humboldt and Del Norte Counties, operates its Family Wellness Courts (FWC) for Yurok families suffering from opioid abuse problems. The FWC seeks to develop judicial practices that are consistent with Yurok tribal values and needs, combining the resources and expertise of both systems. It focuses on reintegrating tribal members into the culture and life of the Yurok community and helping them establish a drug-free lifestyle.

### **5. Community Workforce Development and Training**

Cultural competency training as well as community workforce development can be a critical tool for addressing gaps in services, especially in rural and remote tribal communities, where it can be extremely difficult to recruit and retain qualified health care professionals.

Example: In Alaska, the Community Health Aide Program (CHAP) has increased access to medical treatment to more than 170 rural Alaskan villages utilizing a workforce development model geared toward Native people. Under CHAP, individuals selected by their communities are provided with training as community health aides and practitioners

to work in rural villages under the supervision of, and in collaboration with, higher level medical professionals, often aided by telemedicine technology. As part of CHAP, behavioral health aides (BHAs) are trained as counselors, educators and advocates to help address mental health and addiction issues.

Example: Part of the Swinomish Tribe's Didg<sup>w</sup>álič treatment model, discussed above, is training for Tribal members with a goal of building a new generation of clinically trained and culturally competent Native counselors and providers, Yup'ik Elders. This framework functions alongside western and medical practices to help individuals overcome their addictions permanently.

9. The Tribe hereby takes on all rights and obligations of a Settling Tribal Entity as set forth in the Distributors' Tribal Settlement.
10. In connection with the releases provided for in the Distributors' Tribal Settlement, each Tribe expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Tribe hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Tribes' decision to participate in the Distributors' Tribal Settlement.

11. Within thirty (30) days of signing this Form, and prior to the Effective Date set forth in the Distributors' Tribal Settlement, the Tribe shall provide to Special Master Cohen and his TLC designee, a dismissal with prejudice of any Released Claims that it has filed. Upon the Effective Date, the dismissals with prejudice shall be provided to the Settling Distributors with a stipulation for filing.
12. Nothing herein is intended to modify in any way the terms of the Distributors' Tribal Settlement, to which Tribe hereby agrees. To the extent this Form is interpreted differently from the Distributors' Tribal Settlement in any respect, the Distributors' Tribal Settlement controls.
