

## Term Sheet

The term sheet governs the agreement in principle between the MDL Tribal Leadership Committee and Janssen (defined to include all Janssen-related defendants including J&J).

1. **Eligible Entities**—Exhibits A-1 and A-2 together contain all entities participating in the settlement:  
Exhibit A-1: Each entity listed on Exhibit A-1 is either (1) a federally recognized tribe that the U.S. Secretary of the Interior acknowledges as an Indian Tribe, as provided in the Federally Recognized Tribe List Act of 1994, 25 U.S.C. § 5130, and that has filed an opioid case in MDL 2804, or (2) a “tribal organization,” as defined in 25 U.S.C. § 5304(l), or an “inter-tribal consortium,” as defined in 25 U.S.C. § 5381(a)(5), that provides health care pursuant to contracts/compacts with the Indian Health Service, and that has filed an opioid case in MDL 2804. Exhibit A-1 includes the filing docket number and counsel of record for the listed entity. Each entity listed on Exhibit A-1 is entitled to participate in the settlement.  
Exhibit A-2: Each entity listed on Exhibit A-2 is a federally recognized tribe that the U.S. Secretary of the Interior acknowledges as an Indian Tribe, as provided in the Federally Recognized Tribe List Act of 1994, 25 U.S.C. § 5130, and that has not filed an opioid case in MDL 2804. Exhibit A-2 also includes Alaska Native “tribal organizations,” as defined in 25 U.S.C. § 5304(l) and “inter-tribal consortia,” as defined in 25 U.S.C. § 5381(a)(5), that provide health care pursuant to contracts/compacts with the Indian Health Service, and that have not filed an opioid case in MDL 2804. Each entity listed on Exhibit A-2 is entitled to participate in the settlement.
2. **Defendants To Be Released Upon Meeting Threshold Requirements**—The following defendants are to be released and their claims to be dismissed with prejudice upon the *effective date*: Janssen and (1) all of Janssen’s past and present direct or indirect parents, subsidiaries, divisions, predecessors, successors, assigns, including Noramco, Inc. and Tasmanian Alkaloids PTY. LTD.; (2) the past and present direct or indirect subsidiaries, divisions, and joint ventures, of any of the foregoing; (3) all of Janssen’s insurers (solely in their role as insurers with respect to the Released Claims); (4) all of Janssen’s, or of any entity described in subsection (1), past and present joint ventures; and (5) the respective past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, agents, and employees of any of the foregoing (for actions that occurred during and related to their work for, or employment with, Janssen). Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, the entities listed in Exhibit Q are not Released Entities; and provided further that any joint venture partner of Janssen or Janssen’s subsidiary is not a Released Entity unless it falls within subsections (1)-(5) above. A list of Janssen’s present subsidiaries and affiliates can be found at <https://johnsonandjohnson.gcs-web.com/static-files/f61ae5f3-ff03-46c1-bfc9-174947884db2>. Janssen’s predecessor entities include but are not limited to those entities listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Janssen after the Effective Date is not a Released Entity.
  - a. “Janssen” means Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc.
  - b. The exhibits referenced in this paragraph 2 are those appended to the J&J Master Settlement Agreement posted at [nationalopioidsettlement.com](http://nationalopioidsettlement.com).
3. **Aggregate Financial Terms and Funding Dates—Johnson and Johnson**
  - a. Johnson and Johnson agrees to pay \$150 million over two years under the terms and conditions of the term sheet, subject to the reductions described in Section [X]. The first payment of up to \$75 million will be paid 30 days after the *effective date* and the second payment of up to \$75 million will be paid on the one-year anniversary of the *effective date*.

b. Tax Consequences.

- i. Nature of Payment. Janssen and each Participating Tribe acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:
  1. Janssen has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
  2. Participating Tribes sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Tribes;
  3. By executing this Agreement the Participating Tribes certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Participating Tribes; and (b) the portion of the Compensatory Restitution Amount received by each Participating Tribe is no greater than the amount of the Alleged Harms allegedly suffered by such Participating Tribe;
  4. The payment of the Compensatory Restitution Amount by Janssen constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Janssen;
  5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Participating Tribes to the same position or condition that they would be in had the Participating Tribes not suffered the Alleged Harms;
  6. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Participating Tribe, or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in subsection [XX], and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and
  7. [XX Tribe], on behalf of all Participating Tribes (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Janssen.
- ii. Tax Reporting and Cooperation.

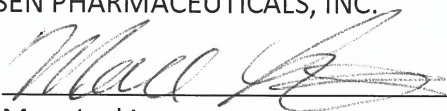

1. Each Participating Tribe shall cooperate in good faith with Janssen with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
  2. The [Designated Tribe], shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
  3. For the avoidance of doubt, neither Janssen nor the Participating Tribes make any warranty or representation to any Participating Tribe or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).
- c. The payments will be split with 86% going to an *abatement fund* and 14% going to an attorney fee escrow account. In no event may less than 86% of Janssen’s payments be spent on Opioid Remediation as defined in the Global Settlement and tribal supplement from the Purdue bankruptcy attached hereto as Exhibit B.
- 4. Presentation of Aggregated Settlement Offer, Informed Consent and Compliance with Ethical Rules** – The MDL Tribal Leadership Committee is appointed by the MDL Court and negotiated the terms of this aggregate settlement with Johnson and Johnson through a judicially supervised mediation. The TLC members believe the gross settlement amount and term of years to be reasonable and recommend moving forward to present this term sheet and informed consent documentation to all tribal nations identified on Exhibit A and their counsel. The defendants and the TLC recognize the ultimate decision to settle rests with each tribal nation. The TLC will work with all counsel to present the proposed aggregate settlement and allocation procedures to all tribal nations and will use best efforts to secure 100% participation.
- 5. Abatement Fund—Approved Uses and Allocation Procedures**
- a. **Appointment of Qualified Settlement Fund Administrators.** Upon the signing of this term sheet, the TLC will request the Court to appoint Kevin Washburn, Mary Smith, and Kathy Hannan as Qualified Settlement Fund (QSF) administrators to administer the abatement funds. Approved uses will be set forth in the Master Settlement Agreement but will be consistent with the approved uses attached hereto as Exhibit B and section 3.b above. The QSF administrators will have duties and responsibilities comparable to those they have in Purdue, including oversight of the administration and distribution of abatement funds and collection of the abatement fund use certifications from each tribe required under this agreement. Any costs and fees associated with or arising out of the duties of the QSF administrators shall be paid out of interest accrued on the Settlement Fund and from the Settlement Fund should such interest prove insufficient.
  - b. **Allocation Procedures**— Layn Phillips co-mediated proceedings in the Purdue bankruptcy that determined the share of funds paid to tribes and reviewed and approved the inter-tribal allocation in that case. Layn Phillips also mediated the settlement between the tribes and the distributor defendants. David Cohen, Special Master to Judge Polster in the MDL, is appointed by the Court to address tribal issues (Doc 3646) and mediated the settlement between the tribes and Johnson and Johnson. Upon the signing of this term sheet, the TLC will request the Court to appoint David Cohen and Layn Phillips to set the procedures by which the allocation will be completed for this settlement and to jointly determine the final inter-tribal allocation. Any costs and fees associated with or arising out of the duties of Layn Phillips and David Cohen under this agreement shall be paid out of interest accrued on the Settlement Fund and from the Settlement Fund should such interest prove insufficient.

- c. **Recognition of Tribal Rights.** Each tribe will have the sole, ultimate, and final say over which approved abatement uses are best for the tribe as that tribe continues to address the opioid crisis. Each tribe shall have the right to meaningfully participate in the final allocation process and a right to be heard prior to entry of the final allocation order specific to this opioid crisis.
  - d. The defendants acknowledge and expressly agree that they have no role whatsoever in the allocation.
- 6. Reduction in Aggregate Financial Payments for Non-Participating Tribes**
- a. Proportional decrease by final allocated amount for non-participating litigating tribes.
  - b. Regarding non-litigating tribes: (1) if they opt in within three years after the effective date, they get their allocation share; and (2) if they do not opt in within three years, their unclaimed shares will go to participating tribes pro rata, unless a non-participating tribe has sued Janssen in the interim, in which case that non-participating tribe's share will revert to Janssen.
- 7. Notice to Unrepresented Tribes**—The appointed QSF administrators shall provide notice of the settlement to the unrepresented tribes. The unrepresented tribes will have the same rights as the represented tribes within the settlement allocation process.
- 8. Participation Requirements—Effective Date.** The settlement will be effective on the date that the MDL Tribal Leadership Committee notifies Janssen that 95% of litigating tribes, as determined by the allocation percentages set forth in the Master Settlement Agreement, have signed the Tribal Participation Form.
- 9. Tribal Participation Form and Individual Release**—Attached hereto as Exhibit C is the Tribal Participation Form.
- a. **Dismissal Of Claims**—Each participating tribes shall provide a dismissal with prejudice of all claims against the released defendants along with the signed release. The dismissal shall be filed only upon the effective date the settlement.
- 10. Enforcement and Dispute Resolution**—Any disputes shall be heard before Judge Polster.
- 11. Master Settlement Agreement and Miscellaneous Sections including no admission of liability, claim over, etc.** – The Parties shall convert this term sheet into a Master Settlement Agreement which shall also include provisions (based on the Global Settlement), including:
- a. Definitions as needed
  - b. Full release provisions, including claim-over and non-party settlement provisions
  - c. Additional dispute resolution terms
  - d. No admission of liability
  - e. Other sections listed under “Miscellaneous” in the Global Settlement

**Approved:**

**Schedule B**  
**Approved Uses**

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT
---------------------

**A. TREAT OPIOID USE DISORDER (OUD)**

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following<sup>1</sup>:

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.
2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions
3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.
4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.
5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.
6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.
7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

---

<sup>1</sup> As used in this Schedule B, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Public Creditor Trust Distribution Procedures.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.
9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.
10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.
11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.
12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.
13. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.
14. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

**B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY**

Support people in recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.
2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.
3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.
4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance

programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.
6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.
7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.
8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.
9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.
10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.
11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.
12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.
13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.
14. Create and/or support recovery high schools.
15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

**C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)**

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.
3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.
4. Purchase automated versions of SBIRT and support ongoing costs of the technology.
5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.
6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.
7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach.
8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.
9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.
10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.
11. Expand warm hand-off services to transition to recovery services.
12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.
13. Develop and support best practices on addressing OUD in the workplace.
14. Support assistance programs for health care providers with OUD.
15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

**D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS**

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
  1. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);
  2. Active outreach strategies such as the Drug Abuse Response Team (DART) model;
  3. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
  4. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;
  5. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or
  6. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.
2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.
3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.
4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.
5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail

or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.
7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

**E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME**

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.
3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.
4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.
5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.
6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.
8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.
9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.
10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION
----------------------

**F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS**

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with the Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).
2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.
3. Continuing Medical Education (CME) on appropriate prescribing of opioids.
4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.
5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:
  1. Increase the number of prescribers using PDMPs;
  2. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
  3. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.
7. Increase electronic prescribing to prevent diversion or forgery.
8. Educate Dispensers on appropriate opioid dispensing.

**G. PREVENT MISUSE OF OPIOIDS**

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.
2. Corrective advertising or affirmative public education campaigns based on evidence.
3. Public education relating to drug disposal.
4. Drug take-back disposal or destruction programs.
5. Fund community anti-drug coalitions that engage in drug prevention efforts.
6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).
7. Engage non-profits and faith-based communities as systems to support prevention.
8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.
9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.
10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

**H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)**

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.
2. Public health entities providing free naloxone to anyone in the community.
3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.
4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.
5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.
6. Public education relating to emergency responses to overdoses.
7. Public education relating to immunity and Good Samaritan laws.
8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.
10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide

care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

**I. FIRST RESPONDERS**

In addition to items in section C, D and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.
2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

**J. LEADERSHIP, PLANNING AND COORDINATION**

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

**K. TRAINING**

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

**L. RESEARCH**

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

Email:

The tribal entity identified above (“Tribe”), in order to obtain and in consideration for the benefits provided to the Tribe pursuant to the Settlement Term Sheet dated November 11<sup>th</sup>, 2021 (“Janssen Settlement”), and acting through the undersigned authorized official, is an “Eligible Entity” as defined in the Janssen Settlement, and hereby elects to participate in the Janssen Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Tribe is aware of and has reviewed the Janssen Settlement, understands that all terms in this Tribal Participation Form (“Form”) have the meanings defined therein, and agrees that by this Form, the Tribe elects to participate in the Janssen Settlement and become a Participating Tribe as provided therein.
2. The Tribe agrees to the terms of the Janssen Settlement pertaining to Tribes as defined therein.
3. By agreeing to the terms of the Janssen Settlement and becoming a Releasor, the Tribe is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
4. The Tribe agrees to use any monies it receives through the Janssen Settlement solely for the purposes provided therein.
5. By signing this Participation Form, the Tribe agrees that, pursuant to Term Sheet and the Order entered by Judge Polster, Special Master David Cohen and Judge Layn Phillips will set the procedures by which the allocation will be completed for this settlement and jointly determine the final inter-tribal allocation.
6. The Tribe submits to the jurisdiction of the Northern District of Ohio for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Janssen Settlement.
7. The Tribe has the right to enforce the Janssen Settlement as provided therein.

8. The Tribe, as a Participating Tribe, hereby becomes a Releasor for all purposes in the Janssen Settlement, including but not limited to all provisions of Section IV (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Tribe hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Janssen Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Tribe to release claims. The Janssen Settlement shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Janssen Settlement, each Tribe expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Tribe hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Tribes' decision to participate in the Janssen Settlement.

10. Within 30 days of signing the Tribal Participation Form, and prior to the Effective date set forth in the Term Sheet, the Tribe shall provide to Special Master Cohen and his TLC designee, a dismissal with prejudice of any Released Claims that it has filed. Upon the Effective date, the with prejudice dismissals shall be provided to Janssen with a stipulation for filing.

11. Nothing herein is intended to modify in any way the terms of the Janssen Settlement, to which Tribe hereby agrees. To the extent this Form is interpreted differently from the Janssen Settlement in any respect, the Janssen Settlement controls.

I have all necessary power and authorization to execute this Form on behalf of the Tribe
